

Mug Cake Mix

A simple little treat whose ingredients are combined in a mug to be quickly baked in the microwave. This recipe is intended for bigger batches or for later use.

Ingredients

Cake Mix

- 1 cup – Flour
- $\frac{3}{4}$ cup – Sugar
- 1 & $\frac{1}{2}$ tsp – Baking powder
- $\frac{1}{4}$ cup – Cocoa powder
- 1 dash – Salt
- $\frac{1}{4}$ cup – Wellshine Wellson
Whole Milk Powder

Mug Cake Preparation

- 4 tbsp – Cake mix (from above)
- 2 tbsp – Water

Instruction – For the Cake Mix

1. In a large bowl, mix all the dry ingredients in a bowl until combined.

Instructions – For making the Mug Cake

1. Pour 4 tbsp of the Cake Mix with 2 tbsp water in a mug for each serve. Store unused Cake Mix in an airtight container for future use.
2. Bake the filled mug in microwave for 30-40 seconds.
3. Careful it is hot! Rest for 2 minutes before eating.

Tips!

Go all the way and top your mug cake with some chocolate chips or a scoop of ice cream.

Yum!
